# Christian Education

## Community: Circle of Belonging

Summer Christian Education activities are nearing the end. We will continue the theme of Community as we anticipate the coming activities in fall. We appreciate all who turned in a commitment sheet and others who are involved with Christian Education in some way. There are still opportunities to serve as teachers, committee members, or other ways to help out.

Here are some things to look forward to in August:

### Adult Sunday School

- August 7 – Joe and Anna Sawatzky will share about their service in South Africa
- August 14 – Sharing on MCUSA and Western District Conference assemblies
- August 21 – Marie Unruh will share about her service in England
- August 28 – Teacher orientation and safe sanctuaries training

### Teacher Orientation

Classes for adults, children and youth will begin in September. A list of classes and teachers will be forthcoming.

On August 28 during the Sunday school hour we will have a time of teacher orientation and safe sanctuaries training. We have made a commitment that Tabor be a safe sanctuary. Therefore, we require safe sanctuaries training for all persons involved in any activities involving children and youth. Duane Duerksen has agreed to lead this training. Details will be coming.

Teacher orientation for the Jr. Dept. (ages 2-8<sup>th</sup> grade) will be held during the Sunday school hour and there will be no Sunday school for children, youth or adults. As teachers are discerned from the commitment sheets, they will be given further notice about the details of orientation. We hope this is one way of communicating with one another and providing support.

Thanks to all who helped with and participated in the summer Sunday school activities. With everyone working together, Christian formation happens in amazing ways!

*See you in Sunday School!*
